The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the Charities Act 2011, the Companies Act 2006 and the Statement of Recommended Practice, "Accounting and Reporting by Charities", issued in March 2005.

#### **Objectives and Activities**

#### **Objectives**

The Company objectives are to educate the public and its members in the dramatic, musical and operatic arts, and to further the development of public appreciation and taste in the said arts and furtherance of this object to: Promote plays, drama, comedies, operas, operettas and other dramatic and operatic works of educative value and purchase, acquire and obtain interests in the copyright of or the right to perform or show any such dramatic or operatic work.

The Trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the company should undertake.

#### **Activities**

The Activities of the company involve producing and performing our own productions for the public and providing workshops and clubs for children as well as staffing the building on a voluntary basis for outside groups to hire the theatre for their productions or use the theatre building as a venue for education or training purposes within these Arts, thus providing a community theatre.

#### **Achievements and Performance**

#### **Achievements**

Despite a concerning performance, a lot of work went into cost analysis of expenditure by the new Treasurer, with a focus of large costs i.e. utilities which will slowly start to improve. With the addition of looking to do more significant fundraising to use the theatre space for other activities.

#### **Performance**

The Company performance has decreased due to the slow return of members and patrons since the pandemic. Fund-raising has continued but Grants are in short supply, membership subscriptions have started to return to normal but running costs, in particular utilities became a major concern which led to a significant decrease in our financial performance.

#### **Financial Review**

The Company Treasurer usually holds regular meetings with all the relevant members responsible for areas within the Company and reports back to the Board with financial reports with reviews on expenditure/sales and budgets. The Board met regularly to review various aspects including the Company financials.

#### Plans for the Future

The Company's plan is to survive given the current rising costs, especially in utilities by negotiating new contracts. Its aim is to keep membership numbers at the same levels to pre-lockdown and continue to build awareness in the local area of the theatre and keep audience members at a level to sustain its productions.

A long-term aim is to investigate providing the venue for professional touring companies to educate the public more in the Arts. This will also involve marketing the building as a community theatre more.

The Trustees have worked with the Newmarket Charitable Foundation to bring a cinema to the theatre in order to help cover rising costs and also be more visible as the community theatre.

Regular fund-raising is ongoing, applying and obtaining grants with a view to being able to afford to pay for some administrative support will be looked at as well as signing up to more volunteering organisations in order to gain more members.

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2024

#### 1 Accounting Policies

#### **Charity Information**

The Newmarket Operatic, Musical and Dramatic Society Ltd is a private company limited by guarantee incorporated in England and Wales. The registered office is The Kings Theatre, 16 Fitzroy Street, Newmarket, Suffolk, CB8 0JW.

#### 1.1 Accounting convention

The financial statements have been prepared in accordance with the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The company is a Public Benefit Entity as defined by FRS 102.

The financial statements are prepared in sterling, which is the functional currency of the company. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value. The principal accounting policies adopted are set out below.

#### 1.2 Charitable funds

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives.

#### 1.3 Incoming resources

Income is recognised when the company is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the company has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of donation.

#### 1.4 Resources expended

All expenditure is accounted for on an accruals basis and is recognised when there is a legal or constructive obligation to pay. Expenditure has been classified under headings that aggregate all costs related to the category.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity; this includes the preparation of this annual report and financial statements, and costs linked to the strategic management of the charity.

#### NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

#### FOR THE YEAR ENDED 31 MARCH 2024

#### 1 Accounting policies

(continued)

#### 1.5 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Land and buildings 2% Straight Line
Plant and machinery 20% Reducing Balance

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in net income/(expenditure) for the year.

#### 1.6 Impairment of fixed assets

At each reporting end date, the company reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

#### 1.7 Stocks

Stocks are stated at the lower of cost and estimated selling price less costs to complete and sell. Cost comprises direct materials and, where applicable, direct labour costs and those overheads that have been incurred in bringing the stocks to their present location and condition. Items held for distribution at no or nominal consideration are measured the lower of replacement cost and cost.

#### 1.8 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

#### 1.9 Financial instruments

The company has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the company's balance sheet when the company becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on that basis or to realise the asset and settle the liability simultaneously.

# NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2024

#### 2 Critical accounting estimated and judgements

In the application of the company's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period., or in the period of the revision and future periods where the revision affects both current and future periods.
